Total Hours of Supervised Hands-on Practice: _____

TOTAL CURRICULUM HOURS: _____
(Must be at least 500.)

- C. First Aid/CPR. Proof of current certification of completion of First Aid and CPR courses taught by an instructor certified by a nationally recognized organization. CPR or First Aid instruction hours may not be counted as part of the 500 minimum hours.
- D. Demonstration of course completion. The applicant must submit an official transcript of the massage therapy program. At a minimum, the official transcript must contain the student's name and address, the number of hours of classroom instruction completed in each subject, the name and address of the institution, date of admission and date of graduation.

In order to expedite review of your application, we encourage you to submit descriptive information (e.g. course syllabus or excerpt from student catalogue) pertaining to the content of the courses listed on your student transcript. This will assist us in determining whether or not the courses you have taken meet these requirements.
